PROFILE

I am a passionate Frontend Developer with solid knowledge of HTML, CSS, JavaScript, and TypeScript. Currently expanding my skills in Next.js to build modern, dynamic web applications. Although I have no formal work experience, I have successfully completed several personal projects that showcase my ability to create clean, responsive, and interactive websites. I am a quick learner, detail-oriented, and committed to improving my skills to create impactful web experiences.

WORK EXPERIENCE

NONE

Projects

- I have hands-on experience building responsive websites and applications using HTML, CSS, JavaScript, and TypeScript. My personal projects include a dynamic resume builder with editable sections, a personalized Teacher's Day greeting webpage, and a portfolio website to showcase my skills. These projects allowed me to apply my frontend development knowledge and gain practical experience in creating interactive, user-friendly web solutions.
